

MOTION BY MAYOR MICHAEL D. ANTONOVICH

JUNE 13, 2006

Side Street Projects (SSP) is a visual arts non-profit organization whose mission is to give artists of all ages the ability and means to support their creative endeavors. SSP serves in excess of 1,000 children each year from diverse communities and varying socioeconomic levels throughout Los Angeles County.

SSP is also a mobile organization operating an "Education on Wheels" program that holds art classes in buses to teach woodworking to children. SSP is in need of a parking facility for overnight storage of two of these buses and has requested authorization for the use of a portion of Internal Services Department's surface lot located at 1110 North Eastern Avenue, Los Angeles.

**I, THEREFORE, MOVE THAT THE BOARD:**

1. Find that a portion of the parking facility located at 1110 North Eastern Avenue is not currently needed exclusively for County purposes.
2. Direct the Chief Administrative Office to negotiate and execute a gratis license agreement for bus parking not to exceed a period of two years, and include a provision for cancellation of the license at the discretion of the County.
